132 Jerseyville Ave.  
Freehold, NJ 07728

Dear Detective Murphy,

On behalf of the Monmouth County Children's Inter-Agency Coordinating Council (CIACC), I would like to thank you and the Monmouth County Prosecutor's Office for the development of the Monmouth County Special Needs Registry. We believe this registry will provide first responders with information to better assist in serving individuals with special needs. Families will benefit from this free registry by having the ability to register their children or other loved ones. The Special Needs Registry is a fine example of the collaboration and dedication of Monmouth County officials in serving their communities. The Monmouth County Office of Mental Health and Addiction Services strongly supports this initiative.

We look forward to continuing our partnership and enhancing our collaborations to better serve the Children and Families of Monmouth County.

Sincerely,

  
Desiree Whyte, MA  
Assistant Director of Addiction Services/
