Dear Prosecutor Gramiccioni:

Yesterday I had the pleasure of hearing Detective Shaun Murphy present the Monmouth County Special Needs Registry to the Human Services Advisory Council.

Please accept this strong endorsement of this innovative new program. The voluntary service open to all citizens with special needs who reside, attend school or are employed in Monmouth County is an essential piece in assisting organizations and families create a safety net for their loved ones. As an organization that serves people in Monmouth and Ocean counties, I thank you for this effort.

The collaboration among the law enforcement, fire service and first responders for this program is to be commended and serves as an example of how good government works. I applaud your office, the Monmouth County Sheriff's Office and the Monmouth County Police Chiefs Association. Congratulations!

Sincerely,

Mary Pat Angelini
